Project and Support: Migration data validation, mass-upload reconciliation, manual data correction, functional testing, pricing and output form testing, post go-live production support, end-user training

Key T-Codes: ME21N, ME22N, ME23N, MIGO, MIRO, MM01, MM02, MM03, MB52, MMBE

Tools and Data: Microsoft Excel (VLOOKUP, data validation, master data templates), Oracle SQL and PL/SQL (basics)

PROFESSIONAL EXPERIENCE

SAP MM Trainee Consultant | ProvenTech Consulting Pvt Ltd, Hyderabad — Jul 2025 - Jun 2026

Client: Cohance Lifesciences - SAP S/4HANA Migration Support — *Sep 2025 - Nov 2025*

Supported post-migration stabilisation activities across Suven and Cohance plants, as part of an 18+ member cross-functional team spanning MM, PP/QM and SD.

- **Provided onsite plant-level support** for backdated August and September 2025 postings across PO creation and release, Process Orders and TECO, Stock Transport Orders, and Goods Receipt / Goods Issue processing.
- Cross-verified SCM master and transactional datasets against SAP before mass upload, then reconciled PO sheets post-upload to **identify and correct migration discrepancies**, completing pending records through manual transaction updates.
- Created and released Purchase Orders, and converted legacy CC Purchase Orders into the new S/4HANA format.
- **Executed 30+ functional test cases** across PO and SO scenarios, including output form and pricing trigger testing.
- **Resolved 15+ post go-live user issues** relating to PO outputs, Goods Issues and Goods Receipt Notes (GRN).
- Supported Invoice Verification (MIRO) and identified GR/IR mismatches with the Finance team.
- Trained plant end users on creation and posting of Purchase Orders, Sales Orders, GRNs and Goods Issues.

Client: Piramal Pharma - Material Master Data Classification and MDM Support — *Mar 2026 - May 2026*

- **Classified and structured 200+ material codes** across 7 procurement categories: engineering spares, packaging, laboratory, instrumentation, IT, safety and consumables.
- Built Microsoft Excel VLOOKUP reference sheets and data-validation templates to support material classification activities.
- Aligned material descriptions, material types, material groups and base units of measure with SAP MM upload requirements.

SAP LEARNING - SELECTED COURSES

- **Introduction to AI Core** - SAP AI Core fundamentals, AI/ML scenarios and model lifecycle within the SAP landscape
- Business Processes in SAP S/4HANA Sourcing and Procurement
- Implementing SAP S/4HANA
- Cross-Functional Customizing in SAP S/4HANA
- SAP Ariba Sourcing Overview

EDUCATION

Bachelor of Technology, Computer Science and Engineering — 2019 - 2023

Bapatla Engineering College, Bapatla, Andhra Pradesh | CGPA: 7.0 out of 10
